WINE LIST

Welcome to the Bürgerspital Weinstuben

Dear Guests and Friends of Bürgerspital Weinstuben,

I am very pleased to introduce myself to you as the new director of the Bürgerspital Winery.

Having grown up in a winegrowing family in Randersacker, viticulture has been an integral part of my life since childhood. I have been associated with the Bürgerspital since 2007, initially as a winemaker and cellar master, and since 2012 I have also been responsible for the technical management of the winery. During this time, my team and I have had the privilege of creating the wines that you can enjoy today.

Therefore, it is a special honour for me not only to take over the overall management of our wine estate, but also to work closely with the Wiesenegg family to ensure that you experience unforgettable moments, exceptional cuisine, and distinctive wines during your visits.

I wish you delightful hours and great pleasure with our wines.

Kind regards
Karl Brand
